# THE STORY SO FAR

Takizawa Noboru, known as "The Man who Summons Storms".  
But on his first day after transferring to Toribasa High School,  
Takizawa was met by a landmine and the relentless challenge  
of Kanazawa the Hall Monitor.

And here, the transfer student Takizawa became a warrior of fire.  
And before him arrives his cute classmate from First-Year Class 11,  
Takamura Yukari. She tells him of the conspiracy that the school  
has been hiding, and Takizawa's pure sense of justice is set aflame.  
But quite frankly, he had fallen for Yukari at first sight.  
And so, the Sports Competition with Class 11's fate on the  
line began. And so began his endless battle with his new rival  
of fate, Ibuki Saburo...!?

DOWN AS IF  
NOTHING HAD  
HAPPENED...

HANDS OF THE PRINCIPAL,  
BURNING WITH ANGER,  
THESE STUDENTS WOULD  
SOON RETURN TO BEING  
ORDINARY STUDENTS...

KUMAGAO  
ACADEMY,  
WHICH HAD  
BECOME A  
BRAIN-  
WASHING  
MACHINE,  
CRUMBLED  
AWAY.  
ANOTHER  
BATTLE

I'M  
GONNA  
HAVE TO

# 〈SPECIAL FEATURE〉

## Recognizing Sparrows

Now you don't have to be afraid of sparrows anymore!

① From in Front

② From the Side

③ From Behind

④ I don't really know what this is anymore. What the hell is this!?

High-Level Technique

Make it say "Peep" with ventriloquism once in a while, and it'll almost seem real!

☆ If you make a mascot using the above images as a reference and put it on your shoulder, you'll be just like Takizawa! (That'll be cool!)

■ This is not what real sparrows look like. Take this with a grain of salt, or you'll embarrass yourself someday!
